

Healthy Soil Sundays

Three Season Memberships

Program runs every other Sunday: 9:30am – 12:00pm May 19 – October 20, 2024 (13 weeks of program)

Embark on a green family adventure with our *Three Season Membership* that provides bountiful harvests, enjoyable outdoor family programming and lasting memories with your loved ones

Nurture your children's green thumbs with individual garden plots for planning, planting, caring and harvesting throughout the spring, summer and fall.

Engage in child-centered learning through interactive activities covering gardening, composting, planting, pollinators, and more.

Explore 46 acres of natural paradise, including hiking trails, wildflower meadows, wetlands, and a young 12,000-tree forest.

Join our UNESCO-recognized program, celebrated globally for honoring children's wisdom and promoting actions that benefit the earth

Dive into an educational and joyful experience for the whole family!
